LUXURY SAILING CROATIA

Croatia and its Dalmatian coast is fast becoming a very popular yacht charter destination. And a gulet charter in Croatia can provide a unique experience and a leisurely way to explore the Adriatic.
All our gulets are chartered fully crewed (captain, cook and additional crew members for the bigger gulets). With attentive crew members, you'll enjoy an unmatched level of service. Enjoy on-board luxuries like en-suite accommodations and al-fresco dining, Dalmatian cuisine and a bar stocked to your specifications with soft drinks, wine, spirits, champagne — whatever you desire.
Chartering a crewed boat is definitely the best way to explore Croatia's Adriatic Sea and its coastline, which spreads for over than 1700 km, with beautiful Mediterranean towns and a rich cultural heritage to explore. There are 1246 islands by one count, scattered like marbles, and of those, only 67 are inhabited.This makes for some spectacular vistas and quite possibly the best sea cruising in the world.
